

Forecast For Tayside, Central & Fife
Issued by Met Office Aberdeen
at 1600 on Sunday 10 Jan 2021

++ Valid for broadcast between 1800 and 0600

Headline:

Rain on Monday, turning to hill snow before clearing later.

This Evening and Tonight:

A cloudy night with rain at times in the west, some heavy in the Trossachs, but mostly dry towards the east coast. A frost-free night with fresh westerly winds. Minimum temperature 3 deg C (37 deg F).

Monday:

Cloudy with occasional rain, mainly in west during morning. A band of rain will come southwards to all areas in the afternoon, turning to snow on high ground before clearing. Maximum temperature 6 deg C (43 deg F).

Outlook for Tuesday to Thursday:

Mostly dry, sunny, cold on Tuesday with winds easing. Dry, frosty start to Wednesday, then rain, preceded by snow on high ground crossing all parts. Becoming drier, brighter on Thursday.
